Career Showcase ~ An Opportunity to Explore

What is Career Showcase?

Career Showcase is an opportunity for students and their parents to learn more about a wide variety of careers. Local business leaders open their doors and invite you to learn more about careers in their industry, tour the facility and see the business operations. Don't miss this chance to meet with people in various career fields and ask specific questions about job outlook, roles and responsibilities, educational requirements, and earning potential.

Students are encouraged to bring their parents and explore career possibilities together. Many career options are offered and students may attend as many sessions as they wish. A wide range of choices are available in all Career Pathways.

Who Can Attend the Career Showcase?

Any high school student from any high school is welcome to attend. This event is open to all schools for all high school students and their parents.

Tell me more! How do I sign up?

Visit www.careershowcase.org today and learn more about a great career for you! The website has fabulous information and lots of details about every event featured on the Career Showcase. There are many options to explore and times to fit most every schedule. Questions? Go online to learn much more about this event.

Register from January 26—February 24
