# Welcome to the Mustang Family

My name is Lauren Pelletier, and I am the new 10th and 11th grade English teacher! I am very excited to begin my first year at Montabella! I graduated from Ferris State University and am certified to teach English and social studies. I have experience teaching grades 7-12 at Tri-County High School, Big Rapids Middle School, and Big Rapids High School.

I am originally from Hudsonville, Michigan, and I have one sister and two step-brothers, all of whom are older than me. Some of my favorite things to do include hanging out with my boyfriend (Jacob), our cat (Rutherford—named after the president), swimming, reading, and watching documentaries.

I am looking forward to learning and engaging more about the community and meeting parents and students! Teaching is a work of heart, and I cannot imagine myself in a different career. I hope my passion for English and Social Studies is shown through my teaching. I also hope to encourage and excite learning every day!

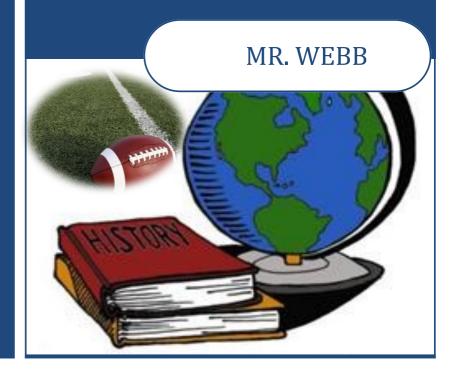

Go Mustangs!

Lauren Pelletier

Mr. Webb, also known as Coach Webb, will be joining us as our junior high social studies teacher, as well as our head varsity football coach. He is coming to us from Tawas Area Schools where he spent the past fourteen years as a teacher and the head varsity football coach. He has also coached in Howell, Merrill, East Jordan, Farwell, and Whittemore-Prescott.

Coach Webb, graduated from Alma College with a Bachelor's in Elementary Education in 1999, where he also played football and lacrosse. Coach Webb has a wide variety of coaching in different sports. He has coached: Varsity Baseball, Varsity Track, Varsity Wrestling, JV Basketball, and Middle School Basketball.

Welcome to the team Coach!

Dear Montabella Families:

This has been a very trying time for everyone as we navigate these unchartered waters with this pandemic. The administration team at Montabella Schools has been brainstorming ideas for a successful and safe return to school for most of the summer. The Governor has now issued an executive order with guidelines for schools in order to return to in person instruction in the fall. We have combined the efforts we started this summer and the requirements put out by the state and we would now like to give an overview of the plan. The plan will be finalized in the coming weeks and approved by the school board on August 10. The plan outlined here is for in person instruction during phase 4. When our region moves up to phase 5 less restrictions are in place and if our region were to move down to phase 3 in person instruction is not allowed.

OPTIONS: We understand that this plan will not work for everyone so starting in the fall Montabella will give the option to all k-12 students to go 100% online or to return to school in person following the approved plan. If you are interested in having your child be 100% online, please contact your building principal by August 1. If choosing online that commitment must be for at least one semester (through the end of December) for continuity.

Elementary school: Mike Moore 989-427-5414 or mmoore@montabella.com Jr/Sr high: Shane Riley 989-427-5175 or sriley@montabella.com

<u>In-Person plan</u>: Our survey of parents early in the summer indicated a desire to see students back in school as frequently and consistently as possible. With that in mind we developed a plan that would bring all students back to the school on every day of the week. Students will be placed in classes with a smaller class size (ideally 20 or less).

School Day: The school day for students will be reduced by one hour at the end of the day (elem 8am - 2:05pm jr/sr 8:05-2:10). This hour will be used for planning for teachers since all teachers will be teaching at all times except during lunch. We are also currently working on modifying our child care license at the elementary so that we have the option to provide after school care. Child care would be available for a weekly tuition and pick up could be as late as 4pm.

<u>Masks</u>: Students will be required to wear masks as mandated in the state regulations. Younger students (grades preK-5) will not be required to wear masks in their classrooms but generally when outside of their classroom masks are required. Older students are required to wear masks at all times, however there will be time given to take mask breaks.

<u>Social Distancing:</u> Smaller class sizes will allow for the district to space out students throughout the room. Social distancing will be encouraged at all times in school. Desks will be spaced apart in classrooms and students will also be spaced when moving throughout the buildings.

<u>Cleaning:</u> Students will be required to wash their hands throughout the day (before and after lunch, recess, bathroom breaks). Hand sanitizer will also be provided in common areas and in rooms where sinks are not installed. Common surfaces (door knobs, drinking fountains, faucets) will be cleaned at least every 4 hours. Equipment that is shared between students will also be disinfected often. Rooms will be cleaned and disinfected each night including all desks or student tables.

<u>Transportation</u>: Masks will be required by everyone on the bus. Students must use hand sanitizer prior to boarding the bus (this will be provided on each bus). All students will have assigned seats and will be seated with family members first. Buses will be disinfected after each route. We would like to request that any family that is able to self transport their students to and from school to please do so. This will allow for smaller loads on the buses.

<u>Electives/Specials</u>: There will be some elimination of elective classes with the reduction of an hour to the school day. Elementary students will not have a separate exploratory or PE classes, however their classes will have access to the gym or outside for activity. Secondary elective classes like band and PE will look slightly different due to some of the requirements. We still plan to offer these courses but they will look different than previous years.

<u>Screening:</u> Temperatures will be taken of all students each morning. This screening process is for the safety of all students. Parents will be contacted when a student presents with a high temperature and the student should be picked up from school as soon as possible. We know that temperatures will not deter all illnesses from entering the buildings but it could help to reduce illness spread and keep kids healthier.

Phase 3: In person instruction would not be allowed if our region were to revert back to phase 3. If this situation were to arise we would be forced to do all educational services remotely. These will look different than what we saw in the spring. There will be more accountability for that work. Attendance will be required daily, assignments will be graded, credits in courses will be dependent on the work completed while working remotely. Specific plans and being developed by the buildings and will be communicated when we move to phase3.

This outline of the plan has not been approved by the school board but will be approved prior to the start of school. We wanted to get the outline of the plan to everyone so you can begin planning for the school year. There will be additional communication that is more specific to each building that will be communicated in the coming weeks prior to school. If you have specific questions or concerns feel free to reach out to building principals or to the Superintendent. We understand that no plan is ideal but we hope to find a plan that is workable for the community.

We are very excited to announce that Montabella Community Schools has partnered with FinalForms, an online forms and data management service that will be replacing paper forms. FinalForms allows you to complete and sign enrollment, back-to-school, athletic participation, and many more forms for your students. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

We are asking that ALL parents of students use FinalForms and set up your account before school starts.

IMPORTANT: You will receive an account confirmation email from FinalForms. Please click the link and follow the steps to login and access your student(s). If you DO NOT receive an email. Please email mpennock@montabella.com with your students name(s) to be sent your link.

Thank you for your assistance in streamlining our paperwork processes at Montabella Community Schools.

#### TITLE

Title I is a federally funded program designed to provide additional help for students based on local eligibility criteria. Title I support is available for all students at Montabella Community Schools who meet the criteria. At the elementary level, students may work outside the classroom with Title I staff or a Title I staff member may assist students within the classroom; at the secondary level Title I staff may provide services through a course within the students daily schedule. The parent of any student has the right to request the professional qualifications of all teachers and paraprofessionals working with the student. Requests can be made at the school offices. A students' success in school is directly related to the quality of communication and shared commitment which exists between the home and school. In order to emphasize this point and to respect the Title I guidelines, a school/parent compact, or statement of mutual understanding, is put forth. The purposes of the compact are to identify conditions that are supportive of academic success and to highlight areas of shared responsibility in your student's school experience.

Encourage my child to participate in class, complete as much homework as possible, and take advantage of available remediation opportunities. Use internet reports or progress reports to monitor my student's achievement in specific classes. Attend conferences, meetings, parent nights and participate in school committees when available. Keep lines of communication open and model respect by going to the teacher first when there is a concern.

#### **Homeless**

In order that homeless youth receive the necessary means and measures of appropriate teacher and learning, both State and Federal Government along with Local School Districts are required to provide a coordinated effort to assure that such services are available and delivered. Such provisions generally include but are not limited to free lunch, Title I services, and when possible, transportation to the students school of origin. It is important to understand that income is typically not the main factor in the identification of and qualification for homeless status. Should you have concerns about homeless youth within our school district, you are encouraged to contact any of our school counselors, school social workers, or school administrators. The designated homeless liaison for Montabella Community Schools is Mr. Marty Weese, Montabella AD/Dean of Students (989)427-5175.

Who is homeless? (Sec.725) The term "homeless children and youth" - - (A) means individuals who lack a fixed, regular, and adequate nighttime residence; and (B) Includes: (i) children and youth who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative accommodations', or are living in emergency or transitional shelters; are abandoned in hospitals; or are awaiting foster care placement; (ii) children and youth who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings...(iii) children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and (iv) migratory children who qualify as homeless for the purposes of this subtitle because the children are living in circumstances described in clauses (i) through (iii).

School of choice application periods are closed on the dates indicated. Non-resident students will remain in their school of choice district until the next application period, which is at the start of each semester. FAMILY RIGHTS AND PRIVACY ACT (FERPA) The Family Education Rights and Privacy Act of 1974 require school districts to make available to parents and students the contents of student records maintained by the school. A procedure has been established which allows parents who are interested in examining their child's record to contact the building principal where the child attends school to make arrangements for the examination. If, after examination, the parent (or student who has reached the age of majority) conclude that the file is in error or in any way disagrees with the contents, they are afforded the opportunity to challenge the record. Further, a due process hearing is afforded, if desired. Those who examine the records and conclude that they would like a copy will be able to obtain one from the school for a nominal fee. The official administrative student record contains such information as the record of academic work completed, level of achievement, intelligence and achievement test score, attendance dates, teacher or counselor ratings, etc. Notification of Rights under FERPA for elementary and secondary institutions and designation of directory information; 1. The right to inspect and review the student's education records within 45 days of the day the district receives a request for access. 2. The right to request the amendment of the student's education records that the parent or eligible student believe are inaccurate or misleading. Parents or eligible students may ask Montabella Community Schools to amend a record that they believe is inaccurate or misleading. They should write the school administrator, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. 3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interest. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist) or a parent or student serving on an official committee, such as a disciplinary or grievance service committee, or assisting another school official in performing his or her tasks. Section 1311, paragraph 2 of the State School Code gives district Boards of Education the power and the authority to expel students possessing dangerous weapons on school grounds. There are guidelines that the Board of Education must follow when determining the consequences for violating the Dangerous Weapons Law. With heightened national concern regarding school violence, please be aware, and make your child aware, of the danger and consequences resulting from bringing or possessing any type of weapon on school property. What may be a unique or beautiful part of a knife or gun collection at home, will be considered a "dangerous weapon" when brought to school. Appropriate action will be taken by school administration.

BUILD UP MICHIGAN (Project Find) In Michigan we know that education begins at birth. We also know that some of our children need extra help or other related special services along the way. That's why Michigan's special education system helps children as young as newborns and up to age 26. Build Up Michigan provides information about special education programs and services and helps to arrange free evaluations to find out if a child is eligible for extra help from any of Michigan's public schools. If a child you know is struggling in school or has a physical, emotional or communication problem that might prevent success in school, call Build Up Michigan. We're here to help. Contact your building principal or call 800-252-0052, visit www.BuildUpMichigan.org You can also contact Angie Porter at the MAISD 616-225-4830.
